

Record Sheet For “Starting My Life-Map”

Please print this sheet before you start your studies.

These introductory studies are just two pages each day. As you complete a day, just put a circle around the number of that day under that study’s title. The objective is to help you find the right study system for you. Please go through them all so you will be familiar with all the resources available to you on this website.

How To Get back to The Easy Personal Growth studies: Go to wctlc.com and select the “Books” button. If you haven’t looked at “The Easy Personal Growth System,” “Two Pages A Day,” “A Chapter A Day,” or “Your Life Map studies, select “The Easy Personal Growth System” on the gray bar. If you have already studied these, then select either “Why These Books” or “I’m Ready To Get Started” on the gray bar.
