

VITAL SPIRITUAL ATTITUDES CHRISTIAN'S INQUIRY

It isn't until the Bible is brought into your life that it brings transformation
and a close and intimate relationship with Jesus.

Helping you Live
Biblically All Day Long

Introduction

What Helps With Focus?

The purpose of the Christian's Inquiry booklet is to help you see what it is Jesus is trying to accomplish in you. There are two situations where you typically apply yourself with a little more effort--if you know you are going to be tested or if you are in a life-situation that the information is helping you solve. You are in a life-situation that Jesus is using these Biblical principles to solve. But, you may not realize what kind of a solution Jesus is using. He approaches solutions in a very different way. These questions help you read and pray with much greater focus being applied to them. Also, these questions are great for group discussion and time spent with a mentor. Just circle the questions you feel would be good for discussion.

How Do These Principles Help?

Once a week, you need to meet with your mentor or a group of friends and discuss that week's Biblical principles. The objective isn't to see if you learned anything. It is to see if you are being helped with your life's issues. Did you see Biblical truths that are able to help you be set free from your life's challenges? Did you learn important Biblical principles? Did you see them as principles that could be applied to your relationships? Did you see how the principles could be used in your daily activities? Did you try to use them on those things you faced that week? Did the principles make a difference? Ask Jesus to help you keep these questions and purposes in front of you all during your week.

How Do These Principles Help You?

The breakthroughs you have already experienced in your life are proof that Bible principles work. As you go over the material and the questions in this Christian's Inquiry booklet, where do you fit into the subjects? Have you applied these principles to your life in the past and received breakthroughs you could share with your friends? Were there times when you struggled with applying the principles and learned important things about how to apply them? Ask Jesus to help you get yourself and your friends involved in this study and prayer process.

An Open-Book Test

When you are aware of what questions you need to be asking yourself, and when you discuss these questions with a mentor or a group of friends, frequently you will get more out of your studies and prayers. Pray and ask Jesus to help you take full advantage of this Christian's Inquiry booklet and the questions in it.
