Setting Up Your Browser

“If you want to set up your browser for tomorrow’s study select the sentence below.”

As you complete each day’s studies, you will see the above comment. You can dedicate a browser or browser page to your studies. You would simply select the sentence at the bottom of the page and keep it open for the next day. If you use a different browser, you will have less problems keeping the page open.

Before You Leave a Devotion

The best way to keep your place in your devotions is to dedicate a browser or browser page to your devotions. However, if that isn’t possible or you lose your browser page, your “My Devotions with Jesus Record” will help you get back there. Your Record Sheet should be filled out before you leave your devotion for the day. *While you are still looking at that day’s page two, you will have the “Devotion Information” at the top of the page and at the right of the picture.*

On the website, if you are studying the “Getting Acquainted, The Special Features of Devotions with Jesus” and you completed your first day of the week in the “The Benefits” study, the information to the right of the picture will say: “The Benefits of Devotions with Jesus, Day One, Page Two.” On your record sheet, below the words, “My Devotions with Jesus Record,” you would go to the “Getting Acquainted, The Special Features of Devotions with Jesus” and circle 1 on the Day line. You would then be ready to follow the instructions below for getting back to your studies the next day.

Getting Back to a Study

Once you have finished the special features study, and started your devotions, you will be able to use the Shortcut Bar to get to the “Table of Contents” page so you will be able to return to your devotions.

1. Just go to wctlc.com and select “I want DEVOTIONS to do each day.”
2. On the next page, select the “I’m A Devotions With Jesus Regular Participant” button at the top of the “Choosing The Right Devotion For You” page.
3. Go to the gray Shortcut Box at the top of Devotions with Jesus Home Page.
4. Select the Devotional Series word that represents the devotion you have chosen to spend time with. It will take you to the Welcome Page.
5. Scroll down to the name of the Devotions you are going through. The Pursuit of God Series has prayers that go with the devotions. They will have two weeks per devotion.
6. Select week one or two, if offered, then select the day you are ready to go to next. You will have two pages to study or one page of study and one page of prayers; and, then you will be ready to either keep your browser page open and fill out your “My Devotions with Jesus Record,” or fill out your “My Devotions with Jesus Record,” close your browser, and follow the above six steps tomorrow.

It will only take a few times of going through these six steps and you will be doing it automatically. It is very easy to see how it all works, as you quickly get used to it.
